

# Scottish Classic Racing Motorcycle Club

Founded 1983

(affiliated to the SACU)

Restoring classic racing motorcycles and competing with them was the reason the Club was formed. We aim to provide Road Racing, Classic Scrambles, Trials and Grass Track Racing, as well as autojumbles, shows, plus monthly club night.

What makes classic racing so attractive to the competitor? It is mainly the friendly atmosphere and willingness of other competitors to assist each other and this is certainly what sport of any kind is all about. You don't have to own a classic motorcycle to join - you can still be a member and enjoy the chat at Club

Meetings or become involved in the organisation of some events
