

SCOTTISH CLASSIC RACING MOTOTCYCLE CLUB

2010 TRIALS

2010 SCRMC TRIALS

The Club Trials Championship is expanded this year and will be run over seven rounds with a riders best six scores to count. The calendar is significantly different from last year with the addition of a new venue at Rigside. The club has again been granted a round of the Scottish Pre '65, Twin Shock, Over 40 and Youth Championships. This year the trial is to be run at Abington on Sunday 20/06/2010 with a club trial being run on the Saturday. Overnight camping at the venue will be available. One major factor in the success of this event will be having enough observers. If you can help, please let myself or Graham Miller know.
